

ECOLOGY

We are known all over the world for our beautiful nature despite our humid climate. The mainland is a mixture of industrial zone and tropical rainforest. On our 2 islands, you will find our mangroves.

ECONOMY

We are specialized in the jewelry industry. We are the only country who still has platinum.

CAPITAL

Our capital is 'Agape'. 'Agape' is a Greek word that stands for love. In Newpax, love and peace between citizens is essential.

CURRENCY

GOVERNMENT

Newpax is a demarchy. There are random selections every 2 year.

DEMOGRAPHICS

Newpax has a very young population. We have a strong LGBTQ community. We are very open-minded on every topic.
